Broadway Improvements – 2011

The Broadway Improvements Project – 2011 (Broadway from 6th Street to 9th Street) is under construction. The project is close to completion with only tree replacement remaining. Estimated completion date of the project is late November. Please use extreme caution when driving in the area.

City Wide Inlet Repairs – 2011

C-W Inlet Repairs 2011 (various locations throughout the city) is in progress. Construction activities may include but are not limited to adjusting, rebuilding and reconstructing inlets and manholes, parkway restoration and other related work throughout the city at various locations. The necessary traffic control and signage will be posted.

Kilburn Avenue (IL – 70) Resurfacing – 2011

IL Route 70 Resurfacing Project – (Kilburn Avenue from Glenwood Avenue to Jefferson Street) is in progress. This project is close to completion with only minor items remaining. Estimated completion date of the project is mid-November. Please use extreme caution when driving in the area.

Larchmont – 2011 Watermain Improvements

Larchmont – 2011 Watermain Improvements are under construction. The project consists of roadway resurfacing, parkway restoration, and installing watermain and water services (property line to the main) on Westbrook Drive, North View Road, Deer Path

Road, and Landstrom Road (services only). All watermain and water services have been installed, and the roadway repairs have been completed. Estimated completion date of the project is late November. Please use extreme caution when driving in the area.

The City of Rockford appreciates your continued patience and cooperation during this work.

Questions regarding these projects should be directed to Jamie Rott at the Public Works Department. Thank you for your consideration.
